Procedure for Certifying a New Emulsified Asphalt

Effective: February 28, 2014

A. Scope

Before materials can be used for a Department project, the manufacturer/supplier must have a producer/supplier number assigned to their facility. The following guidelines are provided to clarify the submittal requirements and expedite the process.

B. Certified Producer/Materials By Policy Memorandum

Emulsified Asphalts are certified by Policy Memorandum 3-08.0 "Emulsified Asphalt Acceptance Procedure" which can be found at the following internet link.

<http://www.dot.il.gov/materials/pdf/3-08.0emulsifiedasphalt.pdf> . For questions concerning the Policy Memorandum please contact Mr. Ron Price at (217) 782-7961.
